Doug Savage

Jaime,

Life's been good for you.
 Don't work too hard (you
 never do anyways) over the
 summer. Finally, Busker's
 class is over and I wonder
 if any of us learned anything.

Oh well, hey, I bet you'll
 be voted class clown next year.

See ya around guy.

Robert Q.

Jaime,

Let's stay friends. I want to come back to Fairfield to visit and go out sometime. Even after high school is over for you we should stay in touch and always know where the other lives. Some day our paths will cross and we can talk about our old times

in high school. It's sad when I think of

everyone growing up and taking life

seriously. We will call our times together "the good ol' days".

Take care and don't ever be too serious.

-Martin McBride

Jaime-

It's about time

you stayed at school

long enough to sign

a yearbook. You better get

your shirt together or you

won't graduate. You are a sweet

juvenile delinquent. (sometimes)

You better keep in touch after

I leave you. You'll be lost for a little

while, but you'll manage to live

without me. Take care and stay out of

trouble!!!

4 year old Jaime, I can but having a strange to guess that's ok you in the you have been a Friday we we have a really effort gonna have a friend. Great summer. I hope you keep having a great summer. See ya summer time

Love,
Debbie

Frank becomes president of a native Eskimo village in the middle of Alaska, Maureen actually grows to a full 6' tall, Robert Fields becomes a born again Christian, Lori gives up on Robert, Leslie Olson gets a job as fat lady in the circus, Chris Barnes doesn't have any more court appearances to go to, David lets his hair stay blonde, Ron S. becomes a heavyweight sumo wrestler, Maynard falls off his ship and stays stranded in a tropical paradise, Cheri finally gets a box of checkers to go with her shoes. Brian gets his dimples surgically removed, Chuck & Tammy quit fighting & sell Chucks motorcycle, Rick & Carrie drink BUD, Bridget fixes the leaks in her jeep, Jayne Barnes has 30 kids (& loves everyone of them), Cindy & Ricky get married & she gets him whipped, Josh fixes his car and passes govt., Chris B. sells his motorcycle & buys a Cadillac, Mike Woods gets a job (other than selling newspapers) and Mr. Trekell actually lets C & C get away with this *@\$%!!! What does this all mean? It is my reflections of the future for some of Fairfield High's students.

Hey Jamie!!

Well, we've come to the end
of the rope huh? 😊 Algebra
wouldn't have been the same
w/out you and Kelly there to
brighten my days. Boy, you guys
really make me laugh. I'm really
glad I got to know you better
this year. You're a special guy. Especially
that bullet hole!!! I hope we have
classes together next year.
Love - Andrea.

Communication is the secret to all successful relationships. What makes us so special is that we can talk to one another about anything. Our love will survive all obstacles. Just remember, without a you and a me, there is no us.

Someone Special

I love you, bebe.
You know I do,
Yet, you always seem to me
So sad, so blue!

You're over there
You're saying that you care.
But I know now it's a lie
You're just another guy.

You play with people's feelings
As if they were toys.
Playing the role of a man.
With all the other boys!

Well, love is not a game,
I guess it's time you know.
Love is something wonderful
If given a chance to grow.

I hope you reconsider, bebe,
You got so much to show.
For if you don't, I'm sorry to say
My love you'll never know.

Captain Sam Baily

The 1984 Cross Country season proved to be a creative one. The team experience went from a training session at Lake Tahoe to competitive races throughout Northern California to community work within the city of Fairfield.

This was a building year for the varsity squad. Seniors Sam Bailey, Mike Soldwisch were stand outs.

Though, the varsity team finish below par within league standing the majority of runners are juniors and will be back next year.

The Fairfield High Wrestling Team had another outstanding season. Although not officially recognized in a league, the novice team won many matches and each individual gained valuable experience. The junior varsity team won six matches while losing four.

The varsity team set many school records in 1985. Besides the outstanding 23 wins and 3 loss record, the Varsity placed at every tournament. Many individuals excelled, however, the team was led by seniors Mike Liebergot, Jim King, Mike Mikolajcik, and Mark Steiert. These seniors will be missed, but the future is still very bright with only 4 varsity wrestlers graduating in 1985.

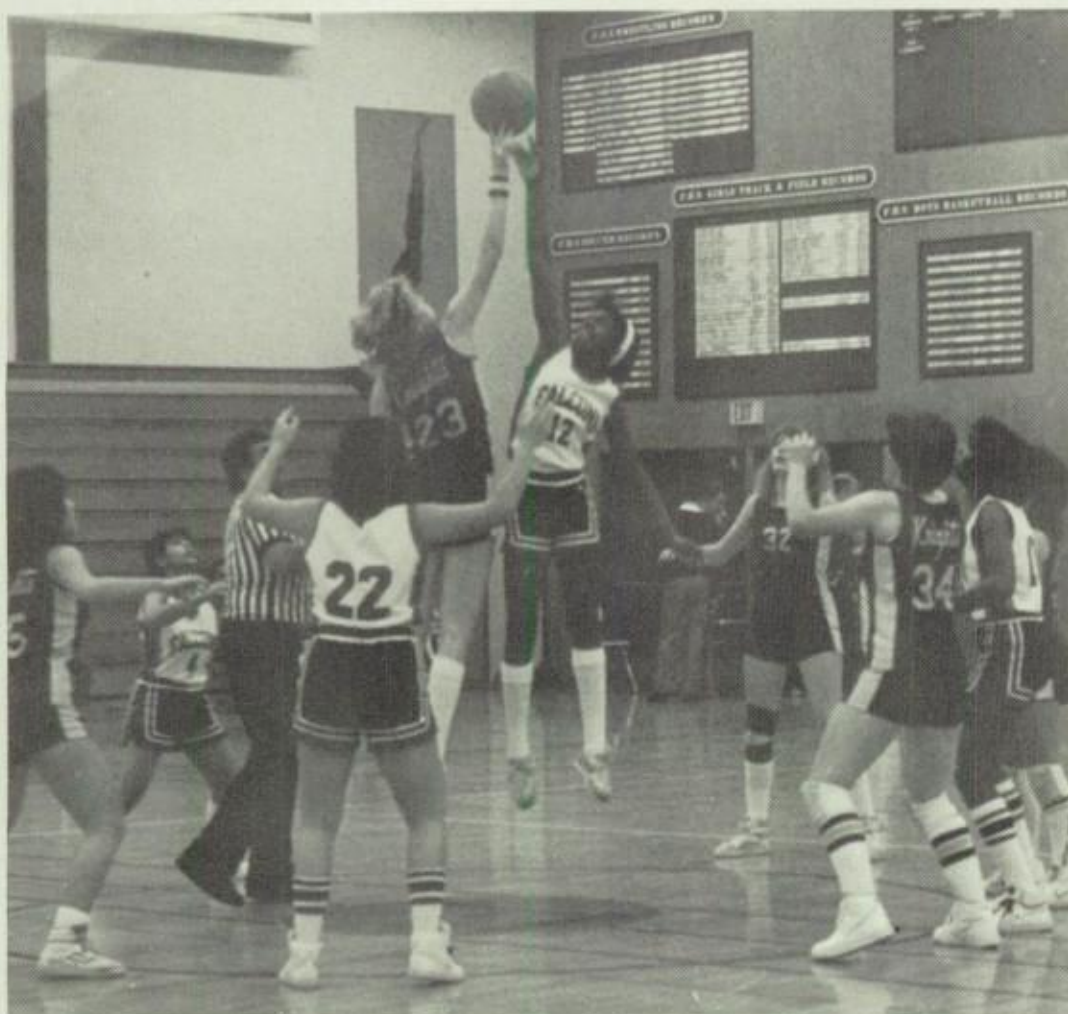

The wrestling team thanks all parents, staff, Boosters, and students who helped support the team in 1985.

Well Spame Baby,

Another year gone by, and our
friendship still as strong. Thank
gosh! You have helped me thru
sooo much this year, + I
appreciate all your time and
understanding. I've enjoyed the
past 2 years so much, thanks
to your smiling face + sense of humor.

Even though I get mad at you some-
times, it's only because I see what you
are doing to yourself when you know it's
not right. I care a lot for you guy, and
that's the cause of my anger. You're a wonderful
guy even if you do sometimes have a big mouth
concerning a certain someone. Spanish last year
was a total blast w/ you + I'm glad that
that's what brought us together as such close
buddies. Being as I'll be around for awhile, you
better keep in touch with me guy, or else?
Don't ever forget me as I won't you, 'k? Have a
super summer, an awesome senior year, keep smiling,
+ Take Care of yourself !!

Best of Luck in all you do!

With Love
Valerie

LOVE & FRIENDSHIP

Hey Jaime,

It has been fun

bugging you in history
and english, I hope you
have a great summer
and I'll see you next
year. Love,

5/10/18

P.S. ~~Do~~ What time is it?

Well dude another year. We're both changed alot, huh?
Remember last year me, you, Valerie and Heidi were all signing
stuff in Spanish. Remember that soccer game at Wapa
that was kinda fast for me? (you know what I'm talking about?)

Remember you, me and Mark Stiert and Kelly in my car that
one morning, Too funny. I really feel terrible about that
because you starting to do that again is pretty much
my fault but then again you wanted to do it that
day. Jaime I know it seems a long time ago but
you do remember the commitment you made at Kickback
right? If that really meant any thing to you then
I think you need to check your life, like I've
been doing lately. I think that Kickback would do
you alot of good this year. And me. I hope we
can be as good of friends this summer and next
year as we have been all of high school even though
at the end of this year we weren't such good friends.
Well bud I pray for you alot. Hope I see you alot
this summer

Jaime,
what I guy.
you're really cool,
but I could kill
you for all the times
you poked me in the
sides - during class.
I'll get you back!!!
What ever you do this
summer - if you p my
house you'll be in
deep trouble!
But have fun
anyway! 422-1500
Love Ann
